Sea Shanty Evening

The musical theme of the summer continued at the Kirk in late August when we were treated to a fun evening of sea shanties. This event was a sell out, like the flute and guitar evening earlier in the summer, and latecomers had to be added to the waiting list.

Thankfully the weather obliged and the audience was able to enjoy refreshments outside before the performance and during the interval. There was opportunity for the audience to join in the singing, ably led by the talented trio Thomas, Felix and Lucy.

The evening was a welcome fundraiser for the Kirk and also a donation was made to the RNLI. Many thanks to everyone who came, to Mary Kate Brown for her excellent organisation and, of course, to the singers for sharing their passion for shanties in such an entertaining way.

Services at the Kirk and Doors Open Day

Throughout the summer there were services at the Kirk on Sunday evenings, led by clergy from a range of denominations. These services were well attended and gave the congregation a welcome opportunity to pause and reflect at a busy time of year.

Doors Open Day, in early September, gave a further opportunity for visitors to come to the Kirk as part of the national celebration of heritage and buildings.

Macmillan Coffee Morning

The Kirk was the venue for a hugely successful coffee morning to raise funds for Macmillan Cancer Support. The event raised a spectacular £535. Many thanks to everyone who attended or donated.
